

Job Posting -- Course Instructor (co-teaching)

Posting Date: September 23, 2021

HMB204H1S – Introduction to Human Biology

Course Description: An introduction to the biological, health, environmental, and sociopolitical issues that influence human health and well-being. Topics include genetic variation within and across human populations, biological variation related to the environment, determinants of health and disease, and human behaviour and development.

Estimated course enrolment: 270 students

Estimated TA Support: 285 hours

Schedule: Lectures on Thursdays 2:00pm – 4:00pm

Sessional Dates: January 1, 2022 - April 30, 2022

Salary (0.25 FCE): \$4231.42 (for 1st time CIs) or \$4030.95 (excludes vacation pay)

Final availability of the position is contingent upon enrolment, budgetary consideration and the determination of appointments as governed by the collective agreement.

Qualifications: Candidates should have a completed Ph.D. (preferred) with a scholarly background and recent experience in areas related to the course, and teaching experience.

Description of Duties:

- Co-preparing of course syllabus and course marking scheme;
- Co-planning and co-teaching weekly lectures;
- Providing office hours for academic counselling of students;
- Setting and marking assignments/exams and course administration in accordance with University regulations as described in the Faculty of Arts & Science Academic Handbook for Instructors.

Position is posted at U of T CUPE 3902 (Unit 1) Opportunities <https://unit1.hrandequity.utoronto.ca/>
