

Human Biology UNIVERSITY OF TORONTO

Job Posting -- Course Instructor (co-teaching) - 0.25FCE

Posting Date: March 13, 2023

HMB226H1F – Holistic Indigenous Health

Course Description: What is holistic health in an Indigenous framework? How can holistic health (physical, mental, emotional, and spiritual) be ethically explored to inform health and healing? What is cultural safety in health care systems? This course explores the effects of traditional practices, culture, activities, arts, land-based healing, music and ceremony in health and healing.

Estimated course enrolment: 15 students

Schedule: Lectures on Tuesday&Thursday 1:00 - 3:00 pm

Sessional Dates: May 1, 2023 - June 30, 2023

Salary (0.25 FCE): \$4,561.69 (excl. vacation pay) for 1st time CIs, or \$4,071.26 (excl. vacation pay)

Final availability of the position is contingent upon enrolment, budgetary consideration and the determination of appointments as governed by the collective agreement.

Qualifications: Candidate should be a postdoctoral fellow or enrolled in a Ph.D or Master's program at the University of Toronto. Recent scholarly background and contribution in Indigenous Health is required. Familiarity and respect for Haudenosaunee community protocols are strongly preferred.

Description of Duties:

- Preparing and overseeing an on-site experiential and land-based field trip for 15 students scheduled for May 23-25 in the Haudenosaunee Community of Six Nations, Ontario
- Helping students to grow and develop critical thinking skills, learning about the multi-faceted nature of Indigenous health, and building a respectful relationship between the University of Toronto and the Six Nations community
- Participating in tours and activities linking culture, land and health with local community members

Application Process:

Applicants should submit an application form available online

<https://www.hmb.utoronto.ca/about-us/employment-opportunities/cupe-positions/teaching-assistant-course-instructor> and a cover letter & C.V. (including previous teaching evaluations from non-HMB courses, if available) as one pdf file by **March 31, 2023**. The file should start with the applicant's last name. Applications should be sent to:

Director, Human Biology Program, University of Toronto
