

## Job Posting -- Course Instructor

**Posting Date:** May 12, 2023

### HMB430H1F – Trends in Neuroscience

**Course Description:** Current research covering the breadth of neuroscience is showcased by members of the Collaborative Program in Neuroscience. Topics vary yearly, but cover the spectrum from molecular through genetic, cellular, developmental, systems, behavioural and modelling. As well, approaches to studying neurodegenerative diseases and clinical neurophysiology are introduced.

**Estimated course enrolment:** 50 students

**Estimated TA Support:** to be confirmed

**Schedule:** Lectures on Monday 1:00 - 3:00pm

**Sessional Dates:** September 1, 2023 - December 31, 2023

**Salary (0.5 FCE):** \$9,123.38 (for 1st time CIs) or \$8,142.51 (excludes vacation pay)

Final availability of the position is contingent upon enrolment, budgetary consideration and the determination of appointments as governed by the collective agreement.

**Qualifications:** Candidates should have a completed Ph.D. (preferred) with recent scholarly contributions in Neuroscience, recent experience in areas related to the course, and experience in undergraduate teaching.

### Description of Duties:

- Preparing course syllabus and course marking scheme;
- Planning and teaching weekly lectures;
- Providing office hours for academic counselling of students;
- Setting and marking assignments/exams and course administration in accordance with University regulations as described in the Faculty of Arts & Science Academic Handbook for Instructors;
- Supervising TAs.

Position is posted at U of T CUPE 3902 (Unit 1) Opportunities <https://unit1.hrandequity.utoronto.ca/>

**Closing date:** June 2, 2023

### Application Process:

Applicants should submit an application form available online <https://www.hmb.utoronto.ca/about-us/employment-opportunities/cupe-positions/teaching-assistant-course-instructor> and a cover letter & C.V. (including previous teaching evaluations from non-HMB courses, if available) as one pdf file by the closing date. The file should start with the applicant's last name. Applications should be sent to:

Director, Human Biology Program, University of Toronto
