

# Human Biology UNIVERSITY OF TORONTO

## Job Posting -- Course Instructor

**Posting Date:** July 28, 2021

### **HMB489H1S – Advanced Laboratory in Human Biology**

**Course Description:** Building on their experience in 3rd-year labs, students participate in inquiry-based laboratory experiments in diverse areas of current human biology research. Open to students in any Human Biology program. Labs start in the first week of term

**Estimated course enrolment:** 72 students

**Estimated TA Support:** to be determined

**Schedule:** Lectures on Fridays 10:00 - 11:00 am;

**Sessional Dates:** January 1, 2022 - April 30, 2022

**Salary (0.5 FCE):** \$8,462.84 (excluding vacation pay) for 1st time CIs

Final availability of the position is contingent upon enrolment, budgetary consideration and the determination of appointments as governed by the collective agreement.

**Qualifications:** Candidate should have been enrolled in Ph.D. at the University of Toronto program and have recent scholarly background and contribution in areas related to the course and at least 2 years teaching experience. Candidates with TAs experience in this course will be given a priority.

### **Description of Duties:**

- Preparing course syllabus and course marking scheme;
- Planning and teaching weekly lectures and laboratories/practicums;
- Providing office hours for academic counselling of students;
- Setting and marking assignments/exams and course administration in accordance with University regulations as described in the Faculty of Arts & Science Academic Handbook for Instructors;
- Training and supervising TAs

### **Application Process:**

Applicants should submit an application form available online <https://www.hmb.utoronto.ca/about-us/employment-opportunities/cupe-positions/teaching-assistant-course-instructor> and a cover letter & C.V. (including previous teaching evaluations from non-HMB courses, if available) as one pdf file by **August 11, 2021**. The file should start with the applicant's last name. Applications should be sent to:

Director, Human Biology Program, University of Toronto  
Wetmore Hall Room 105

300 Huron Street Toronto Ontario M5S 3J6
