

Job Title: Sessional Instructional Assistant - HMB306H1F - Health Care Ethics

Date Posted: 07/26/2021

Req ID: 12033

Faculty/Division: Faculty of Arts & Science

Department: Human Biology

Campus: St. George (Downtown Toronto)

Description:

Sessional Instructional Assistant - HMB306H1F – Ethical Considerations in Emerging Technology

Course Description: Advancing technology increases our ability to intervene in the course of natural events involving human health and well being. Questions arise as whether we ought to and who will benefit or be harmed. This course considers the far-reaching bioethical implications of emerging bio-technology. Topics to be explored include but are not limited to ethical considerations in emerging reproductive technologies, genetic alteration/genetic enhancement. Use of life support technologies, synthetic life, life extension.

Estimated course enrolment: 80 students

Hours of Work: 100 (to be confirmed)

Class schedule: Lectures on Mondays 10am – 12pm

Sessional dates of appointment: September 1, 2021 - December 31, 2021

Salary: \$46.92 per hour plus of vacation pay;

Please note that should rates stipulated in the collective agreement vary from rates stated in this posting, the rates stated in the collective agreement shall prevail.

Minimum qualifications: Candidates should have a completed M.Sc. degree in a related field and basic knowledge of bioethics and ethical theory. Previous Teaching Assistant experience in a bioethics course preferred.

Description of duties:

- Assist in preparation of course syllabus and course marking scheme;
- Assist in teaching weekly lectures and tutorials;
- Assist in marking assignments and exams;
- Provide office hours for academic counselling of students;
- Assist in setting and marking assignments/exams
- Assist in course administration in accordance with University regulations as described in the Faculty of Arts & Science Academic Handbook for Instructors.

Application instructions:
